

## A legacy of love. A future of hope.

Inspired by our foundress, St. Mary Euphrasia, and the Sisters of the Good Shepherd who continue her work, we're proud to introduce the Fearless Heart Society.

Joining the Fearless Heart Society means stepping up for the youth who need you most. Your generosity sparks real change—helping to break cycles, open doors, and build futures filled with hope and strength. Your support shows every young person at Vista Maria that they are worthy, capable, and never without a champion.

## FEARLESS HEART SOCIETY

**VISTA MARIA**

## OUR LEGACY

Founded in 1883 by St. Mary Euphrasia, Vista Maria began by offering refuge to girls and women in need. By embracing a culture of continuous learning and development, we have expanded our services to include mental health care, education, after-school programs, foster care, adoption, independent living, and support for survivors of human trafficking. We remain dedicated to embodying our foundress's legacy of fearless resilience and compassion, as we continue to evolve and do what it takes to help youth heal and grow.

## OUR MISSION

We foster restorative relationships and deliver innovative care, treatment, and education so that vulnerable youth and families believe in their worth, heal, and build the skills for success.

## OUR VISION

Youth and families are empowered to be agents of change in their own lives and build healthier communities for the next generation.

## Turn your heartfelt compassion into meaningful action.

All contributions to the Fearless Heart Society at Vista Maria will empower us to create lasting change and make a profound impact for generations to come.
