

VISTA MARIA

Holiday Wish List Program

Our Holiday Wish List Program is a fun and rewarding way for volunteers to make the holidays warm and wonderful for our residents. Volunteers generously go above and beyond to provide gifts and stocking stuffers for each young person, fulfilling individual wish lists, holiday shopping needs, and getting everything wrapped and festive in our Vista Boutique. Join us!

What Kind of Elf Are You?

SHOPPER ELF

Grant the wishes of an individual child, or several children, by purchasing all four items on their personalized Wish Lists. Shoppers can expect to spend between \$200 to \$300 on each child's individual list. Lists will be available in early November. In past years, this program has filled up quickly, so please contact us or scan the QR code to reserve your spot.

ANGEL ELF

Sponsor the Holiday Wish List Program by providing a monetary donation to cover the cost of any last-minute items, or for any youth who come into our care right before Christmas. Simply visit www.vistamaria.org/donate. You can also help by providing gift cards to stores like Kohl's, Target, and Amazon to help us fulfill last-minute wishes.

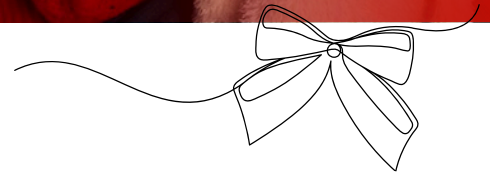

STOCKING ELF

Help fill our youths' stockings with extra goodies by purchasing items from our stocking stuffer list. These items can be found at most stores, at bargain prices. Or shop our Amazon and Target wish lists to have your stocking stuffers delivered directly to Vista Maria.

WORKSHOP ELF

Our Vista Maria Boutique and offices become the epicenter of holiday cheer every December! You can help sort and organize gifts in "Santa's Workshop" right here on campus. Volunteer times are typically 9am - 5pm, Monday-Friday, with a few special weekend opportunities.
